Memories Of

Yesterday . . .

As we wander the halls of CHS, we wonder if these are truly "the best years of our lives." The homework, the cramming for tests, the boredom of study halls, and the dread of semester exams - can it possibly get worse?!

Aside from all the hassles, we will also remember the rare moments when we actually listened to morning announcements or did our own homework. And who could forego the bomb threat, freshmen cheering at a pep rally, or dissecting everything from worms to pigs?!

The Laughter

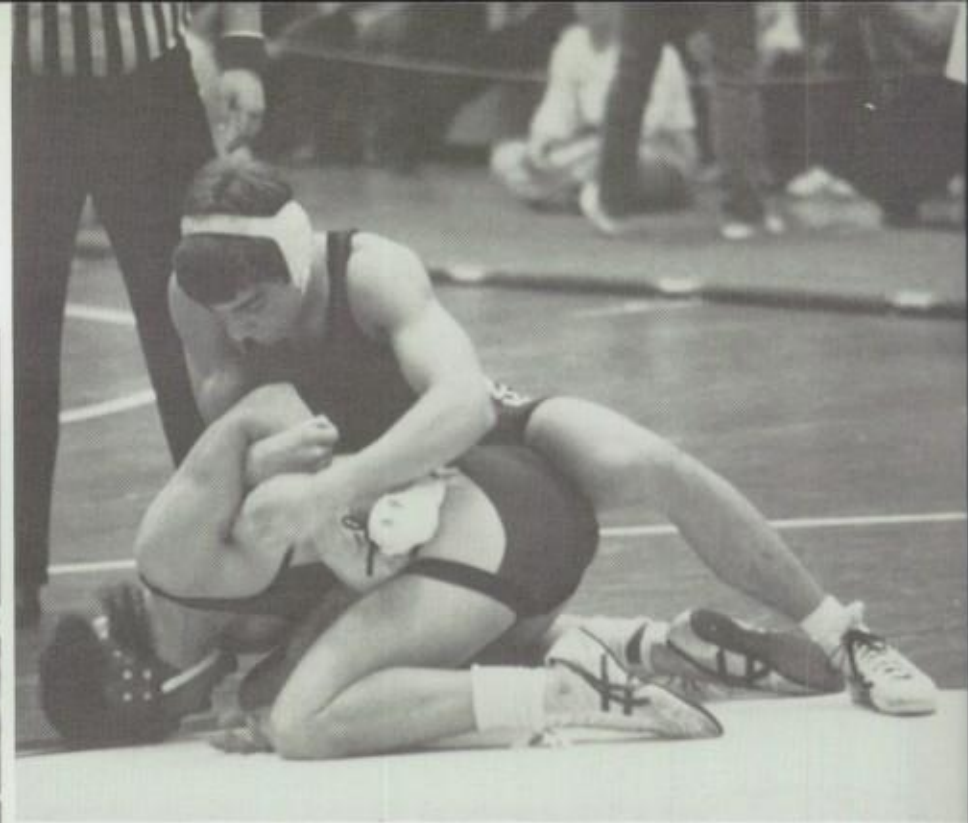

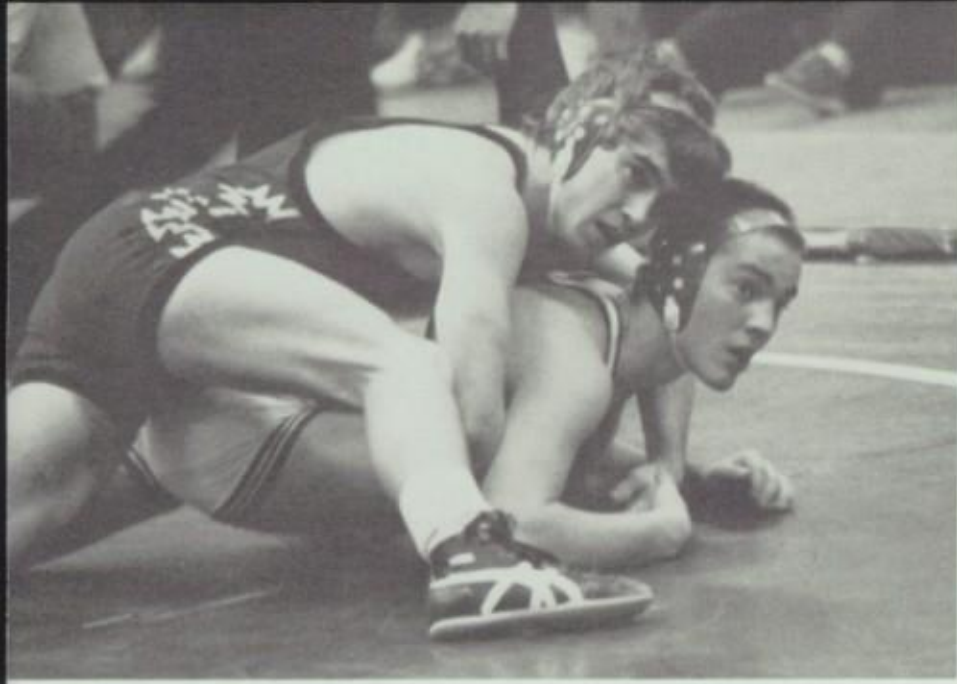

& The Tears

Even though some students have declared high school life a bore and want to be "let loose" as quickly as possible, there can be no doubt that CHS is a chapter in their book of life. The time we've spent at CHS has been full of activities - some sad, some difficult, and some funny. Following these events, Burger King was generally the place to go. Now, for the Class of 1984, CHS is a chapter that will be closed on June 3, but not without memories of Mr. Backer's Freshmen English, Mr. Ossoff's Driver Education, or Mr. Rafferty's **Time - I mean Newsweek** - magazine to name a few.

You Did It!

Oh me, oh my, what did I hear
About the golf team this '83 year?

They lost three seniors, oh good grief!
But two are left, wow, what a relief.

The team was left in great despair,
At least the dreadful thought was there.

But two old golfers were left to play
And helped the younger ones learn the way.

Mike and Creighton to the rescue came,
To help Al, Steve and Dana with their game.

What a team! They played their game,
A struggling season, but not in shame.

Each new man certainly helped his team
With each drive, chip and putt on the green.

With thoughts of '80, '81, and '82 at State,
The team all wondered, could they be that great?

All the wonder and surprise was soon forgot;
Because from Sectionals, to District, to State they got.

The boys of red and white came through
To state they went with dreams anew.

A practice round could not be played,
The awesome Gray was black that day.

So our men hit the course not knowing where
The traps and the hazards were hiding out there.

But did they play? You bet they did!
With pressure and strain superbly hid.

They played through wind and cold and heat,
And not a man did drag his feet.

They played together as a team;
They played together for their dream.

The dream of course was number one
But stop a minute and don't be glum.

You did a wonderful thing this year!
You made it to State and that's quite clear.

Be happy, be proud and most of all,
Put your heads up and stand quite tall.

There's not one man who shouldn't be proud,
You played for your school in front of a crowd.

Four is a good number, in fact it sounds great,
It could have been worse had we not made it to State!

Again I will say, no heads hanging low,
You did it, you did it, see your parents all glow.

So team let me end on this heavy note
And try to get the lump out of my throat.

You're great, you are swell, you're a really great team,
You struggled together to capture a dream.

So, oh me! so, oh my! What did I hear?
We'll have another great golf team, beginning next year.

Golfers Fourth At State

1983 State Golf Team: L to R: Alex Maurer, Al Breinz, Dana Meissner, Mike Ross, Creighton Hoover, and Steve Crumbacher.

The 1983 Clipper Golf team finished their season with an 8-4 record beating several tough competitors. They continued on to a first place victory at Sectionals with a team score of 334. They then drove to a first place finish at Districts with a team score of 333. Later, they traveled to Columbus for the fourth straight year and cinched a 4th place in the State competition.

The top golfer was Senior Creighton Hoover with an average of 39.6 and a low score of 35 against Liberty. Next was Senior Mike Ross with an average of 40.3 and a low game of 35 against West Branch.

The Clips who attended State played 36 holes over two days and posted impressive scores. Creighton was low man with a 155; then Mike, 168; Steve Crumbacher, 171; Dana Meissner, 178; and Al Breinz, 193. Creighton also received a fourth place medal.

The young Clipper team will no doubt continue the tradition of excellence developed over the last four years.

The 1983-84 Varsity Girl's Volleyball Team ended the season with a 12-9 overall record and a 5-5 record in the Inter-County League. Picks for the ICL Team this year were: Kelly Wilson and Jenny Divjak, first team; and Sandy Osterling and Monica Quattro, second team. Two team members received Honorable Mentions to the All-County Team: Kelly Wilson and Jenny Divjak.

In three-game matches the varsity defeated United, Leetonia, South Range, Springfield, and Lisbon for a clean sweep of these long sessions.

The team won their first two tournament games defeating South Range and Lordstown. They then lost the Sectional Final match to Crestview.

The reserve team ended with an 8-10 overall mark and a 4-6 record in the ICL.

Prospects for next year's season are very good since the team will lose only three seniors and will gain much valuable experience at a volleyball camp this summer.

Clips District Runners-Up

The awesome Clipper Varsity roared to an unprecedented 18-2 regular season this year. After a powerful 14-game winning streak, the Clips were narrowly defeated in overtime at Western Reserve by one point. Senior Co-Captain Jerry Longbottom, bummed out after missing a foul shot with no time left in this game. He came back later by defeating Reserve in the Tournaments by one foul shot—no time left.

Other highlights of the season included a steady rise in the team's State ranking to a high of fourth. They were ICL champs after a hard fought battle to stay ahead of rival Springfield. After defeating South Range and Western Reserve at the tournaments in Struthers, the Clips were named Class A Sectional Champs. From there the team moved on to districts where they defeated the South Amherst Cavaliers even though four players fouled out: Jerry Longbottom, Rick Simpson, Sam Barber, and Tom Bell. The Clips were named District Runners-Up after a disappointing loss in a fast-paced battle with Windham. The team finished with a 21-3 overall season.

The team had two members named to the ICL first team: Troy Berdine and Rick Simpson; one member on the second team — Jerry Longbottom; and two members given honorable mentions — Sam Barber and Jim Kress. Also, Coach Meissner received the Northeastern Ohio Coach of the Year Award.

1984 Basketball Royalty

On Friday, February 3, 1984, CHS's Basketball Homecoming Court was crowned. This year the title of Queen was won by Kelly Wilson. Her escort, Rick Simpson, was this year's King. Other members of the court included princesses Amy Prosnick and Jenny Divjak, and princes Mark Sloan and Tom Bell. The theme was "All Night Long" from the popular Lionel Richie song. Unfortunately, at the game there was no music due to a mix-up with the sound system. This circumstance failed to dampen the spirits of the capacity crowd or the team, who went on to massacre Mineral Ridge 69-38. The court was crowned by cheerleading captain Ann Petro and basketball co-captain Jerry Longbottom.

The Spirit of Columbiana band sponsored a dance the next evening in Dixon School's gym with the same theme, "All Night Long." D.J. Dan Messersmith of Y103 supplied the music for the night featuring a laser light show.

Bilas, and Lisa Ziegler delivered speeches and lit candles for the four National Honor Society qualities—scholarship, character, service, and leadership. Miss Martha Halliday was the guest speaker. In

order to raise money for the ceremony, N.H.S. members collected empty pop bottles and sold M & M's. Twelve students were inducted into Columbiana N.H.S.

Debbie and Lori are ready for the crowning.

"On The Loose"

The Varsity and Reserve Cheerleaders had an outstanding year. They supported the football and basketball teams proudly. They worked hard to promote spirit and pride in our teams and school. The cheerleaders practiced between four and six hours a week. They've kept very busy this year making run throughs for all home games, decorating lockers for homecoming and special games, getting pep rallies organized, helping little league cheerleaders, cheering for the Browns at the basketball game at Salem High School, and going to their first competition. The cheerleaders were sad to see the year end, but they are looking forward to next year.

The wrestling hostesses this year worked hard to support the wrestlers, and they did a good job. They were led by two senior co-captains who were Leslie Heaton and Kim Sarver. Under their direction, the hostesses had fundraisers, performed at a pep rally, and made scrapbooks for the wrestlers.

The Spirit of Columbiana marching band marched its way to a successful season. Under the direction of Stan Hargreaves, the band performed ten halftime shows, four competitions, and several parades. The band also hosted their own Band Spectacular for the third year in a row. After attending band camp in early August, the band put in many long, hard hours of practice to achieve their fine performance record. The band won many auxiliary and music awards. They performed drills to "Canyon Country," "Africa," a drum break "Tico Tico," and closer "Sometimes When We Touch."

The CHS Concert Band began preparing for District VIII contest in November. After many hours of practice, both in school and after school, director Stan Hargreaves decided on the three performance tunes. They were: "E Pluribus Unum" by Fred Jewell, "Majes-

tia" by James Swearingen, and "Coventry" by John Tatgenhorst. On March 10, the band received three "I"s on the floor and a "II" in sight reading. As a result, the band qualified for the State contest. The band changed only the required piece, "Majestia," to

"Prayer and Proclamation" by Jared Spears. On May 5, the band received a "I" in sight reading and three "II"s on the floor. The band ended its year with a banquet on May 14.

This year the choir presented their traditional winter and spring concerts. Selected students also participated in I.C.L. and County Choir. The highlight of the year was the presentation of "The Sound of Music." After six weeks of hard practice, performances were given on April 6 and 7 to a packed auditorium.

The lead roles were played by Amy Prosnick and Sid Hosler while students from Southside and Dixon played the parts of the small Von Trapp children. To finish the year the choir sang "I Sing The Body Electric" at graduation.

Senior I.O.E.

Many students at C.H.S. don't know what the initials IOE stand for. They mean Intensive Office Education. This program is offered to high school juniors and seniors planning to pursue a career in the business field. IOE trains students in typing, machine dictation, and many other areas. This year the senior IOE girls participated in many out-of-school events. The Youngstown State University Skill-a-Rama, the Regional Leadership Conference at the Salem Branch of K. S. U., and the State Leadership Conference in Columbus were just a few of their activities. Senior IOE sent three girls to the State Competition this year. Kim Sarver placed seventh in Job Manual Employed, Chris Oberholtzer placed thirteenth in Job Interview II, and Tina Cole placed fifth in Records Management I. All of the competitors placed first at the Regional Contest at Mahoning County JVS.

The girls in Junior IOE began the first year of their training in September. One project the Juniors participated in was helping to decorate the bulletin board outside the IOE room. They alternated holidays with the girls in Senior IOE, including a final good luck wish to the graduating senior class. Tammy LaMarca placed third in Typing and Related II at the District contest, and Lisa Cole placed second in Typing and Related II. Lisa went on to the State level. The year ended with the Junior girls anxiously (?) awaiting their second year of training.

Ann Petro and Chris Dudash, Social Chairmen. The court, selected by the Junior class, was announced by Alex Maurer, Junior class president, and Ryan Kyle, the "Great Genie of Arabia". Queen and King for the evening were Trudi Hepp and Creighton Hoover. Princess and Prince were Chris Oberholtzer

On Sunday, June 3, at 2 p.m. in Firestone Park Stadium, the 82 Seniors of the Class of 1984 began their last activity as a class. As they marched in to "Pomp and Circumstance," minds were filled with past events and good times still to come. The Rev. Clarence Mansfield delivered the sermon. Due to such close averages, CHS had four student speakers. Valedictorian Sally Boston and Salutatorian Kevin Burbick spoke on world politics and extracurricular activities. Lisa Ziegler and Jackie Bilas spoke on education and parents. After the benediction, the Seniors—now Alumni—realized it was time to "Turn the Page" and begin again.

seperate pathways to take,
Our own destinations
to choose,
We all have our own
contributions to make,
Our own special talents
to use - - -
We all have our own
kind of life to pursue,
Our own kind of dreams
to be weaving . . .
And we all have the power
to make wishes come true
as long as
we keep on believing.

ADVERTISEMENTS

The 1984 Annual Staff wishes to thank all those businesses that contributed to the success of this year's book. We wish also to thank our advisors Mrs. Kyser and Mrs. Beight for all their last minute checking of pages before shipping them to the plant. The yearbook could not have been a success or even possible without the help of our Josten's representative Mr. Ken Brayer. A special thanks to him for all his help and support.

**Your class ring
A GREAT FEELING**

Pride is the catalyst for human achievement...the mover of minds, of muscles and most of all hearts. Your class ring is more than a mere piece of jewelry. A class ring shows Pride.

Your class ring identifies you with your school and your class for all to see. It carries with it much sentimental value and will help you preserve special memories forever.
